Gentlemen:

RE: ML 37138 and ML 37139 - Oil Shale

The Director, on January 5, 1987, released Certificate of Deposit No. 6313 032922 in the amount of \$5,000 which was used as surety to cover your drilling operations under the above-numbered leases. The drill holes are now plugged and the lands are reclaimed.

I trust this information will be sufficient for your needs.

Yours very truly,

JOHN T. BLAKE
